## Software Registration Card

Dear Customer,

Thank you for purchasing our new Set-01! We hope you enjoy your new system.

DIGITAL plus equipment is designed for UPDATING. This means that new features can be installed in your already existing equipment at a later date.

If you would like, we can inform you in writing when an update is available for your equipment.

All you have to do to receive update notification is to return this registration card, with the information filled in.
